The Board of Directors of Tod's S.p.A., the Italian company listed on the Milan Stock Exchange and holding of the luxury goods group of the same name, operating in the design, production and distribution of luxury and quality shoes, accessories and apparel under the brands Tod's, Roger Vivier, Hogan and Fay, today resolved to convene the Ordinary and Extraordinary Shareholders' Meeting to be held at the registered office of the Company on April 24th, 2024 and, if necessary, on second call on May 24th, 2024.

The Extraordinary Shareholders' Meeting will be required to resolve on the amendment to article 13 of the Articles of association in order to implement the right for the Board of Directors to provide in the notice of call of each Shareholders' Meeting that participation in the Shareholders' Meeting and the exercise of voting right can take place exclusively through the representative designated by the Company pursuant to article 135-undecies of the TUF.

The Ordinary Shareholders' meeting will be also required to resolve, *inter alia*, on the approval of the 2023 financial statements and the allocation of the result, as well as the appointment of the Board of Directors, the authorization to purchase and dispose of Company's own shares, subject to revoking the resolution passed by the Shareholders' Meeting held on 19th April 2023 for what has not been used, the approval of the Company's remuneration policy as described in the first section of the Report on remuneration policy and on the compensations paid, prepared pursuant to art. 123-ter, third paragraph, of Legislative Decree 58/98 ("TUF"), as well as to give its advisory vote on the second section of abovementioned Report.

The reasons behind the proposal to renew the authorization of the Shareholders' Meeting for the purchase and disposal of treasury shares shall be specifically detailed in the Report of the Board of Directors prepared pursuant to article 125-ter of TUF, to which reference should be made, which will be made available to the public together with the Shareholders' Meeting notice, at least 40 days before the Shareholders' Meeting, at the registered office, on the Company's website at www.todsgroup.com and in the authorised storage device I info at www.linfo.it.

The proposal provides that: the number of shares that can be purchased, for a period of 18 months, is equal to the maximum threshold provided by the applicable laws and regulations; purchases must be made according to the applicable European and Italian law regulations (in order to benefit, where appropriate, from protection guaranteed by the Reg. EU no. 596/2014 or the accepted market practices), so as to ensure equal treatment of shareholders, at a purchase price between the minimum and the maximum price as set forth in the Report of the Board of Directors.

Please note that as of today neither Tod's S.p.A. nor any of its subsidiaries own treasury shares.

The meeting notice and the related documentation provided by the law and regulations will be made available to the public at the registered office of the Company and will be published on the Company's website at www.todsgroup.com and in the authorised storage device I info at www.linfo.it within the terms provided by law and regulations; in compliance with the applicable law, the meeting notice will be published in extract form in the daily newspaper.
